

# MARITAL SUPPORT

## *Marital Support*

At Builders Church, we hold the belief that marriage is a sacred union ordained by God, and it is His desire for us to build marriages that bring Him glory. According to biblical teachings, we affirm that marriage is a covenant between a man and a woman. In line with these beliefs, we have established various platforms to support couples both before and during their marriage journey.

One of the key services we offer is pre-marital counseling for couples preparing to embark on this lifelong journey together. We recognize the importance of laying a strong foundation, and our pre-marital counseling sessions are designed to equip couples with the tools and insights necessary for a successful marriage. If you are interested in scheduling a session, please feel free to reach out via email at [info@builderschurch.org.za](mailto:info@builderschurch.org.za). Simply provide your contact details, and our dedicated team will ensure that the appropriate department contacts you promptly.

In addition to pre-marital counseling, our Lead Pastors are available to officiate wedding ceremonies. As registered commissioners, they are committed to guiding couples through this significant milestone with grace and spiritual insight. Furthermore, we offer couples counseling for those already married, providing ongoing support to help nurture and sustain a healthy relationship. To book an appointment for couples counseling, you can use the same email address mentioned above. Rest assured, your privacy is our priority, and there is no need to disclose any sensitive information when making your request.

For those attending our Hillcrest or Delmas campuses, we also offer the convenience of online appointments, making our services accessible regardless of your location. Our goal is to ensure every couple has the support they need to thrive in their marriage.

At Builders Church, we are committed to fostering strong, God-centered marriages that reflect His love and purpose. Whether you are just starting your journey or seeking to strengthen your existing relationship, we are here to support and guide you every step of the way.

# BEREAVEMENT SUPPORT

*Bereavement Support*

At Builders Church, our mission is to create a warm and welcoming home for everyone. We understand that a true home is one that offers comfort and solace during life's most challenging moments. If you experience the loss of a loved one while being a cherished member of our community, we encourage you to connect with your immediate iConnect Leader or Team Leader. We are there to listen, support, and help you navigate this difficult period with compassion and understanding.

Our heartfelt support is specifically dedicated to the bereavement of immediate family members, which includes parents, spouses, siblings, and children. We believe in the power of community and are committed to standing by you with open arms and a caring heart.

Please remember that our support is contingent upon your active membership status. We value your presence and participation in church activities, and to ensure continuous support, we kindly ask that you stay engaged. If a member does not participate in church activities for more than a month and two weeks without reaching out, they will be considered an inactive member. We hope to be a steadfast source of comfort and strength during your time of need.
